Tasks Completed	Tasks Delayed	Tasks Planned			
All deadlines for the demo were met and even exceeded with the addition of the pac man applet (Shout out to Alex for going above and beyond)	No delays this week.	We still have 2 applets to implement for the final presentation and I think it would be awesome to show our website to some teachers and see what improvements they would suggest and improve what we currently have			

Team Members -- Billable Hours			Key Project Risks and Issues					
Name	Role/Task	Hours	Type	Risks or Issue Description				
Finn Jameson	Project Manager	7.0	Risk	There's still a lot to be done in terms of rewrite and improving the app for industry; most of it is written and I don't want the team to think that means there's no more work to be done				
Brandon Bingham	App Developer/Game Engi	8.0						
Alex Wilson	Chief Architect	5.0						
Kyle March	Backend Developer	9.0	Issue	Procrastination and lack of personal responsibility are a part of the team and we need to communicate more and more frequently.				
Tyler Mercer	QA/UX Designer	5.0						
Beka Hill	App Developer/Research A	5.0						
Total		39.0
